ROVER

Flip Nesting Training Tables

ROVER Training Tables

- EASY FOLD: These foldable tables are perfect for conference rooms or training spaces. Just twist the knob, and the table folds up in seconds, saving space and making it super easy to move.
- SMOOTH MOBILITY: With quiet, all -direction wheels, our tables glide smoothly in any directio making it easy to rearrange your setup. Their versatile design works well with different conference setups.
- VERSATILE USE: Sleek and modern, these folding tables look great in any space. Whether it's for a conference room, office, training session, or home office, they're a stylish and practical choice for multiple uses.
